Re: Tract 6 Andalucia Conceptual Grading and Drainage Plan
Engineer's Stamp dated 3-14-05, (~~E-121015~~) **E-121015D**

Dear Mr. Stidworthy,

Based upon the information provided in your submittal dated 12-14-04, the above referenced plan is approved for Site Development Plan for Building Permit action by the DRB. All the storm drain and the pond must be your infrastructure list. Since it is retention pond, the owner(s) of this development must maintain this pond. Prior to any development, MRGCD must approve, in writing, the construction of your overflow weir.

If you have any questions, you can contact me at 924-3986.

Sincerely,

Bradley L. Bingham, PE
Principal Engineer, Planning Dept.
Building and Development Services
