**Re: Andalusia Villas, 5300 Antequera Rd. NW – Buildings 23, 2, 22, and 21
Certificate of Occupancy – Transportation Development
Administrative Amendment dated 02-03-14 (E12-D015C)
Certification dated 01-27-15**

Dear Mr. Broughton,

Based upon the information provided in your submittal received 01-27-15, Transportation Development has no objection to the issuance of a Permanent Certificate of Occupancy for Buildings 23, 2, 22, and 21 only. This letter serves as a “green tag” from Transportation Development for a Permanent Certificate of Occupancy for Buildings 23, 2, 22, and 21 only to be issued by the Building and Safety Division.

I am unable to issue a permanent C.O. for Buildings 19 and 20 at this time. Prior to issuing a Certificate of Occupancy for any of the buildings for the next phase, the punchlist below must be completed:

- Remove dumpsters between buildings 18 and 19.
- One paving stripe is missing west of Building 20.
- Pile of landscaped gravel on parking lot west of Building 20 needs to be removed.
- Concrete collar needing to be poured around cleanout north of Building 22.
- Sidewalk south of Building 20 and around Building 19 needs to be finished.

If you have any questions, please contact me at (505)924-3924.

Sincerely,

Jeanne Wolfenbarger, P.E.

Dear Racquel:

Enclosed for your review is the approved Site Plan dated February 3, 2012. I visited the site on January 26, 2015 and it is my belief that the traffic and pedestrian improvements have been constructed in substantial compliance with the approved site plan.

Your review and approval is requested for a **Permanent Certificate of Occupancy** for the buildings noted above. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.
