RE: Engineer Certification for Lot 14-A-3 Midway Business Park (E17-D41M) Certification
Statement dated 9/10/96.

Dear Mr. Diniz:

Based on the information provided on your September 24, 1996 submittal, the above referenced site is not acceptable for Engineer Certification because of the following concerns:

1. Concurrence from AMAFCA in writing for work done within their R/W.
2. Legend must include the designation for the as-built information.

If I can be of further assistance, please feel free to contact me at 768-2667.

Sincerely,

Bernie Montoya CE
