RE: Galles Used Car Sales

Gentlemen:

Your attached proposal to convey 0.5 CFS discharge to New Mexico State Highway Department ditch line has been approved by Drainage Section. Please ammend your plans to reflect a concrete valley gutter from 3" PVC discharge pipe to the inlet of the existing 30" RCP at Station 306+00 as per our discussion.

If you have any further questions, please do not hesitate to call on me.

Sincerely

  
Barbara Bovee  
Project Manager

6401 San Mateo Blvd., N.E.

This is to advise you that the installation of the 3" PVC discharge pipe completed by Weaver Construction Co., within New Mexico State Highway Department Right of Way at the above referenced location has been completed with concurrence of our General Office Drainage Section.

Sincerely,

  
Barbara Bovee
