Re: Sevilla at Andalucia Grading Plan Resubmittal  
DRB Case No. 1000965

Dear Curtis:

We are submitting a revised grading plan do the Fire Marshal's comments on cul-de-sacs. We have reconfigured the layout with a larger cul-de-sac and K-turn Dead-End Turnaround. We have included a second cul-de-sac at the La Luz connection in which we are working with them on.

Please find enclosed the revised plan; we are requesting your review and approval. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Yolanda Padilla Moyer, P.E.
