This is not the certification. Chris Perea was to provide today.
Chris or Ubaldo - can you provide a status of the certification?

Steve,
I don't see any as-built grades or a certification statement. So how is this a certification?

Chris – per our discussions, please complete the certification that the pond 7 basin infrastructure was constructed per the plans / specs so we can get the building permit for lot 15, block 6, unit 22 volcano cliffs subdivision - 6216 Camino Alto NW.
Thanks,
Steve Metro
