Erosion and Sediment Control Plan  
Engineer's Stamp Date 10-17-17 (F17E032)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 10-17-17, the above referenced plan is approved to be included in the SWPPP and to apply for an ESC Permit for grading and Building Permit with the condition:

1. It appears that grading is proposed to the back of curb on McLeod Rd. If this is the case, the silt fence will need to be installed at the back of curb.

PO Box 1293

Include a copy of the approved plan in the Building Permit set.

If you have any questions, you can contact me at 924-3420.
