Erosion Sediment Control Plan  
Engineer's Stamp Date 9-21-15 (F17E097)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 9-23-15 the above referenced plan is approved to be included in the SWPPP and for Grading Permit/Building Permit once the grading plan is approved by Hydrology.

If possible, the construction entrance should be moved from Midway Park Blvd to Singer Blvd since it is on the higher side of the site.

If you have any questions, you can contact me at 924-3420.
