Grading and Drainage Plan**

Engineer's Stamp dated 1-04-04 (F20-D28)

Dear Mr. Bingham,

Based upon the information provided in your submittal received 1-04-04, the above referenced plan is approved for Building Permit. Please attach a copy of this approved plan to the construction sets prior to sign-off by Hydrology. Prior to Certificate of Occupancy release, Engineer Certification per the DPM checklist will be required.

Re: Letter of Certification for the Southwest Childcare at 4802 Wyoming Blvd. NE, Albuquerque, NM 87111, COA. Permit No. 0304635.

Dear Mr. Dourte:

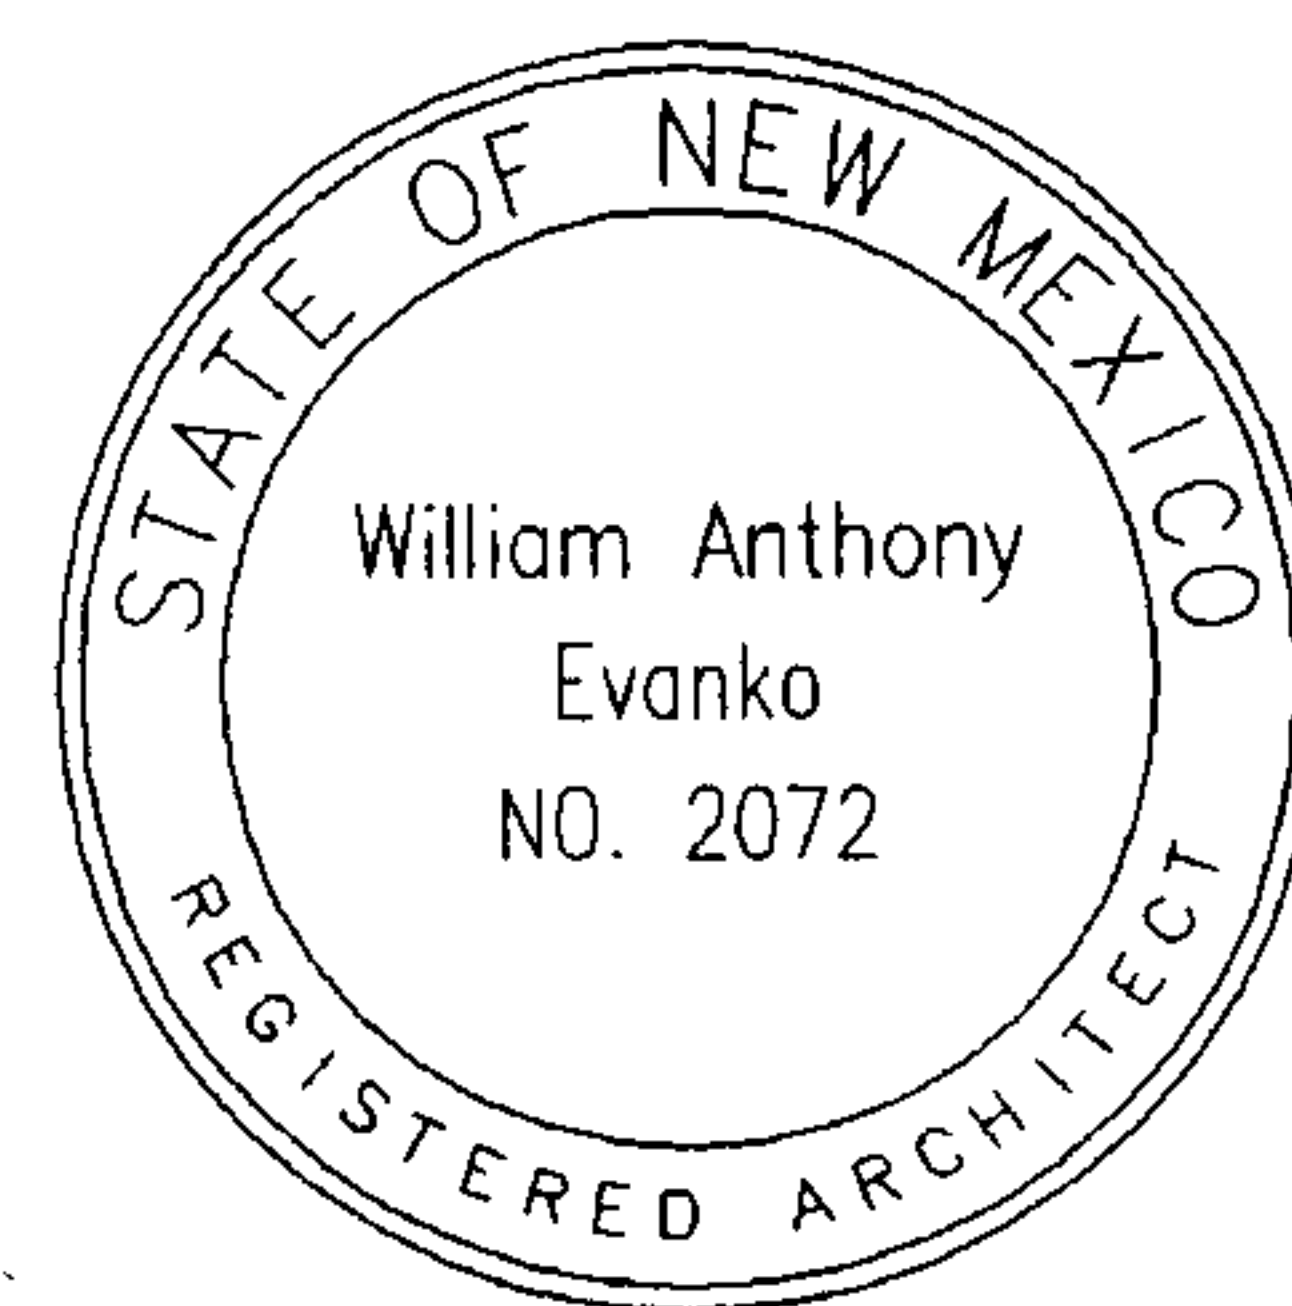

I am writing this letter to inform you that I have inspected this subject property on August 18, 2003 and found that the site was built in substantial compliance with the approved Traffic Circulation Layout (TCL) except for parking and refuse requirement changes that were made to comply with other City Dept. comments or concerns. We are submitting an "As Built" Site Plan showing the changes that were required by other City Departments, as well as minor notations made on site, for your review and approval. We are requesting final approval for C.O. by your department at this time.

If you have any questions regarding this matter, please call me at 255-3451, or Jeff Foss at 883-9100.

Sincerely,
