

G110051

Willis Lee - CASHA/

was Elmer Lee's son

Brady - Elmer Lee - Blig Rep road

estate - held by school

+ large perimeter

Strategy

L open study - enrollment - magnitude of project

history - came time 2007 was not taken

2006 - just Ph 1 - 500 students

2007 - open up building of up to 1500 kids
increase on-site stacking - connect drive aisle also

Frontage

provide latest site plan - OLC

queue on east school

see bly 448 - 1500

On-site plan is evolving - to guide that state admin process
a little early

1240 total

Start on the first - go to the second
after the program

~~from~~ traffic events at existing school - to connect
- driveway and lanes -

Force circulation - ~~to the~~ Hudson - circular
school bus local - most students not coming
across river?

Want for drop distribution

Ph 1 for 300 drop

1496

Ph 2 way more drop than Ph 1

Only want done now and seek for full bus - not

close campus

Yours like 1500
