Hi,

I have the following comment on the submittal for Dessert Hills of New Mexico, Erosion & Sediment Control Plan, G11E048.

\_Provide a singed and stamped detail sheet (possibly the same stamp date as the plan 6/19/2014).

Just a reminder for you to submit electronic copy of the plan when submitting the hard copy. You can email the drawing to Monica or Tim prior to your hard copy submittal

Thanks and have a nice day
