Erosion and Sediment Control Plan
Engineer's Stamp Date 4/06/2021 (G12E024)**

Dear Mr. Vallejos,

Based upon the information provided in your submittal received 4/06/2021, the above referenced plan is approved to be included in the SWPPP and Building Permit plans with the condition that the Pond Stabilization specifications on sheet ESC-2 be used to where the Native Seed is specified on sheet LS-1.

The EPA Notice of Intent (NOI) documentation has been reviewed and signed by the City and is attached, so this project is approved for Grading, Work Order, and Building Permit.

Please remember to include a copy of the approved plan and a signed copy of the NOI in the Building Permit application.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes
