STAMP DATED 1/21/98

Dear Mr. Lorenz:

Based on the information provided on your January 21, 1998 submittal, the above referenced site is approved for Site Development Plan For Building Permit.

Please be advised that the following concerns must be addressed prior to Building Permit release:

1. Top of curb elevations on both streets.
2. Swale slopes on the plan drawings.

If I can be of further assistance, please feel free to contact me 924-3986.
