

CLEARANCE 9'

A red metal frame stands on a concrete pad. A white rectangular sign with the text "CLEARANCE 9'" is suspended from the top bar. The structure is part of a drive-through facility, with several red vertical posts spaced out along the path. To the left, a building with a red and white striped awning is partially visible. In the background, there are trees, a clear blue sky, and other commercial buildings. Two orange and white striped traffic barrels are positioned on the concrete pad, one in the foreground and one further back.
