Dear Mr.Aube,

Based upon the information provided in your submittal received 05-31-19, the above referenced plan cannot be approved for Building Permit until the following comments are addressed:

1. Please remove the asphalt removing section "10" from TCL. That part requires a mini work order.
2. For keyed note # 8 please use NMDOT standard.
3. Identify the on-street parking along with its dimension.

Resubmit a revised plan along with fully completed DTIS to front counter personnel for log in and evaluation by Transportation. PDF copies of the plans and submittal package must be emailed to PLNDRS@cabq.gov at time of resubmittal. If you have any questions, please contact me at 924-3675.
