**SIR must be reviewed and signed below by SSWR - Not Delegable:** I certify under penalty of law that Sections I-V of this document and all attachments were prepared by me or under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. In the event there are no Action Items in this report that have remained unresolved for a period in excess of that allowed by the Applicable Construction General Permit, I further certify under penalty of law that this Site is in compliance with the SWPPP and the Applicable Construction General Permit. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations. Certification applies to the area under the supervision of the SSWR signing this report.
