Re: Partial Grading and Drainage Certification (Lots 4-6) Del Webb Phase 3A
@ Mirehaven
Phase 3A - DRB Case No. 1006864

Dear Shahab,

We are submitting a partial grading and drainage certification for Del Webb @ Mirehaven Phase 3A. The partial certification includes Lots 4-6. Enclosed for your review is the approved grading and drainage plan dated 07/09/18. These lots have been graded; retaining walls, curb and gutter, and downstream infrastructure have been constructed.

After reviewing these as-built elevations and visiting the site on 06/01/20, it is my belief that the above lots have been graded in substantial compliance with the approved grading and drainage plan and that the interim drainage improvements allow runoff to be managed in the interim condition.

Your review and approval is requested for Building Permit Approval for the above listed buildings. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Yolanda Padilla Moyer, P.E.
