Requests for approvals of Site Development Plans and/or Subdivision Plats shall be accompanied by a drainage submittal. The particular nature, location and scope of the proposed development defines the degree of drainage detail. One or more of the following levels of submittal may be required based on the following:

1. **Conceptual Grading and Drainage Plan:** Required for approval of Site Development Plans greater than five (5) acres and Sector Plans.
2. **Drainage Plans:** Required for building permits, grading permits, paving permits and site plans less than five (5) acres.
3. **Drainage Report:** Required for subdivisions containing more than ten (10) lots or constituting five (5) acres or more.

Lot 20A Ladera Business Park

Dear Brad,

I have observed the completed traffic circulation layout for the above-mentioned project. We have made one change to the approved DRB site plan. We have added two handicap parking spaces and access isle in front of the center building as shown on the attached plan. This is in addition to the required spaces. Other than that I have found that it is in substantial compliance with the approved DRB drawings, which are attached. If you have any questions please contact my office.

Sincerely,

Tate Fishburn
Architect

**Re: Ladera Business Park, Tract 20-A Grading and Drainage Plan
Engineer's Stamp dated 8-9-07 (H9/D023)**

Dear Mr. Goolsby,

Based upon the information provided in your submittal dated 8-9-07, the above referenced plan is approved for Building Permit. Please attach a copy of this approved plan to the construction sets prior to sign-off by Hydrology.

P.O. Box 1293

This project requires a National Pollutant Discharge Elimination System (NPDES) permit. You are required to send a copy of your SWPPP on a CD to the following address:

Albuquerque

Department of Municipal Development, Storm Drainage Division, P.O. Box 1293, One Civic Plaza, Rm. 301, Albuquerque, NM 87103

New Mexico 87103

If you have any question concerning the SWPPP, please contact Kathy Verhage 768-3654.

www.cabq.gov

Also, prior to Certificate of Occupancy release, Engineer Certification per the DPM checklist will be required.

Sincerely,

Curtis A. Cherne, P.E.

Re: Ladera Business Park, Tract 20A – Grading and Drainage Plan (H9/D023)

Dear Mr. Bingham:

Submitted herewith, is a revised Grading and Drainage Plan for the subject project. The plan has been revised to add more detail in accordance with review comments received (letter dated July 12, 2007) from Curtis Cherne, your staff. This submittal is for building permit purposes and upon approval will be included in the building permit set for the development. Also, attached, please find a copy of the recorded plat with cross-lot easements and maintenance addressed.

Should you have further questions or comments, please contact me.

Sincerely,

MARK GOODWIN & ASSOCIATES, PA

Re: Ladera Business Park, Tract 20-A Grading and Drainage Plan
Engineer's Stamp dated 6-26-07 (H9/D023)

Dear Mr. Goolsby,

Based upon the information provided in your submittal dated 6-27-07, the above referenced plan cannot be approved for Building Permit until the following comments are addressed:

P.O. Box 1293

Albuquerque

New Mexico 87103

www.cabq.gov

- Provide a detail, with elevation data, for the 3 ft x 5 ft concrete rundowns including the connection to the parking lot and swale.
- Trash enclosures on properties that do not prepare food should not drain to the sanitary sewer.
- Provide a detail for the gravel swale.
- The plans show building activities across the property line. Owners of these properties must give permission to build on their property.
- It appears a portion of Tract 20-A drains into Tract 20-B. A cross-lot drainage easement will be required for this. Also, if this temporary AC curb is to be built, provide a detail.
- The temporary AC curb appears to carry into the new private drive entrances. Drive entrances must be constructed with permanent curb per COA Std DWG 2426.
- Show the asphalt swale in the northeast corner with elevation data.

Sincerely,

Curtis A. Cherne, P.E.
Engineering Associate, Planning Dept.
