Erosion Sediment Control Plan
Engineer's Stamp Date 4/02/2020 (K10E032)**

Dear Ms. Durkin,

Based upon the information provided in your submittal received 4/14/2020, the above referenced plan is approved to be included in the SWPPP and to apply for an ESC Permit/eNOI for Grading and Building Permit.

The EPA Notice of Intent (NOI) documentation has also been reviewed and signed previously by the City. Please check the Tier of the Rio Grande on that NOI, as that results in significant differences in the way the Construction General Permit is applied to this project.

Please include a copy of the approved plan along with a signed copy of the NOI in the Building Permit application.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes
