Dear Mr. Vallejos,

Based on the information in your submittal, received on 2/11/25, the ESC Plan and Notice of Intent (NOI) are satisfactory for inclusion in the SWPPP. So the project is approved for grading only and can't be approved for building permit until after the G&D Plan is approved by Hydrology.

You will need to resubmit the SWQ Info sheet and the ESC Plan using the same SWQ# after the G&D Plan is approved using new file names. The grades on the ESC Plan must match the approved G&D Plan so if the G&D Plan changes during the Hydrology review the ESC Plan must be updated to match. After the resubmittal is made send me an alert email to me at [jhughes@cabq.gov](mailto:jhughes@cabq.gov).

If you have any questions, you can contact me at 924-3420.

Sincerely,

A handwritten signature in black ink that reads 'James D. Hughes'.
