RE: ADDITION TO QUEEN OF HEAVEN - LIBRARY & KINDERGARDEN
(H-18/D46) RECEIVED JUNE 11, 1987

Dear Ms. Smith:

The referenced addition will not need a drainage plan. The only construction approved is the 21' x 107' addition. The reason why a drainage plan is not needed is:

1. The building is not in a flood zone;
2. there is minimum impact on downstream facilities;
3. site is not part of a master plan;
4. a field inspection indicates no problems.

If you should have any question, please call me at 768-2650.

Cordially,

Carlos A. Montoya, P.E.
City/County Floodplain Administrator
