Erosion and Sediment Control Plan  
Engineer's Stamp Date 5/13/2022 (HG17E011)**

Dear Mr. Nuffer,

Based upon the information provided in your submittal received on 5/12/2022, the above referenced ESC Plan is approved to be included in the SWPPP, and Building Permit Plans.

The EPA Notice of Intent (NOI) documentation has been reviewed and signed by the City and is attached, so this project is approved for Grading, Paving, Work Order, and Building Permit. This doesn't include approval for any land disturbing activity on the south half of Parcel 5-A.

Please remember to include a copy of this letter, the approved ESC Plan, and the signed copy of the NOI in the Building Permit application.

If you have any questions, you can contact me at 924-3420 or [jhughes@cabq.gov](mailto:jhughes@cabq.gov).

Sincerely,

*James D. Hughes*
