**Re: Dunkin Donuts 2301 Juan Tabo NE  
Erosion Sediment Control Plan  
Engineer's Stamp Date 3-16-16 (H21E051)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 3-24-16 the above referenced plan is approved to help reduce erosion and sediment deposition in the City ROW/MS4.

As you are aware, the project is less than one acre and is not part of a larger common plan of development so therefore does not require a SWPPP.

Even though not required, it may be beneficial to include a copy of the approved plan in the building permit set as the site is close to one acre.

PO Box 1293

If you have any questions, you can contact me at 924-3420.

Albuquerque

Sincerely,

A handwritten signature in black ink that reads 'Curtis Cherne'.

New Mexico 87103
