Re: Final Grading and Drainage Certification Inspiration Subdivision Phase 2A; DRB Case No.
PR- 2018-001759; Hydrology File J08D101

Dear Tiequan,

We are submitting a final grading and drainage certification for Inspiration Subdivision Phase 2A Financial Guaranty Release. Enclosed for your review is the approved grading and drainage plan dated 06/06/19. These lots have been graded; retaining walls, pavement and curb and gutter have been constructed.

After reviewing these as-built elevations and visiting the site on 06-04-2025 it is my belief that the above lots have been graded in substantial compliance with the approved grading and drainage plan and that the interim drainage improvements allow runoff to be managed in the interim condition.

Your review and approval are requested for Financial Guaranty Release for the above project. I appreciate your time and consideration. If you have questions or require additional information, please contact me at 823-1000.

Sincerely,

Yolanda Padilla Moyer, P.E.
