**Re: WAQ1 Delivery Station  
7300 Meridian PI NW  
Traffic Impact Study  
Dated October 2020 (HT#J1D002G1)**

Dear Mr. Miera,

I have reviewed and approved the TIS for WAQ1 Delivery Station at 7300 Meridian PI NE. The development will not have significant adverse impact to the existing transportation network in the immediate vicinity. The following recommendations will be constructed with the facility development:

1. Driveway D will need to be designed further east to maintain a required 100 foot spacing from existing Driveway F while also maintaining 100 foot spacing from the Airport Drive/Bluewater intersection.
2. Design and construction of the proposed WAQ1 Delivery Station shall maintain adequate sight distances at proposed driveways.

If you have any questions, please contact me at (505) 924-3633.

Sincerely,

Matt Grush, P.E., PTOE  
Senior Engineer
