

## TRAFFIC CERTIFICATION

I, Dennis Lang, NM PE, of the firm of Adams Engineering (ADAMS), hereby certify that this project is in substantial compliance with and in accordance with the design intent of the approved Traffic Circulation Plan dated September 14, 2017 (Traffic Engineering signoff date). The record information edited onto the ADAMS Grading Plan (to follow with drainage certification) has been obtained by Lorenzo (Larry) E. Dominguez, NM PS 10461, of the firm East Mountain Surveying Company, New Mexico. I further certify that I personally visited the project site on December 14, 2017, and determined by visual inspection that the survey data provided was representative of actual site conditions and was true and correct to the best of my knowledge and belief. This certification was submitted in support of a request for a certificate of occupancy.

The record information presented hereon is not necessarily complete and intended only to verify substantial compliance of the traffic aspects of this project. Those relying on the record document are advised to obtain independent verification of its accuracy before using it for any other purpose.
