**Re: Rights Carlton Apartments Grading and Drainage Plan  
Engineer's Stamp date 03-11-2013 (J-13/D094)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 03-01-2013, the above referenced plan is approved for Building and Grading Permit.

A separate permit (SO 19) is required for construction within City ROW. A copy of this approval letter must be on hand when applying for the excavation/barricading permit. If there is a Work Order associated with this project, this work is to be included in the Work Order.

To obtain a permanent Certificate of Occupancy, the sidewalk culvert in the City ROW must be inspected and accepted. Please contact Jason Rodriguez, 235-8016, to schedule an inspection.

If you have any questions, you can contact me at 924-3695.

Sincerely,

Shahab Biazar, P.E.  
Senior Engineer, Planning Dept.  
Development and Building Services
