Re: Keleher Executive Center/  
Banquest Building

Dear Roger:

Please note that the name of the project on which the drainage and grading plan was submitted to you last week as Keleher Executive Center has been changed to the Banquest Building. Upon receipt of your comments, I will modify the plans to reflect your comments, change the name and resubmit copies to you for your files. The project is located on the north side of Lomas between First Street and Second Street (zone map J - 14). I hope this change does not cause you any difficulties.

As mentioned before, the site plan for this project is scheduled for review by the DRB on December 15, 1987. Your review of the drainage and grading plan prior to the meeting is appreciated.

Sincerely yours,

David M. Y. Millikan, P. E.
