PP. of Existing Structure East Side of Commercial St.
Elev. = 4954.91

EROSION CONTROL

1. The Contractor shall be responsible for installation and maintenance of an erosion control system during the construction period.
 2. The system shall be constructed of materials selected by the Contractor and shall be such as to prevent the introduction of water or material in which right-of-way boundaries or material accidentally enter the right-of-way. It shall be the responsibility of the Contractor to remove any material which has entered the right-of-way.

GRAPHIC SCALE
