RE: ENGINEER CERTIFICATION FOR AN ADDITION TO GERTRUDE ZACHARY  
OVERSMITH'S (J-14/D82) RECEIVED FEBRUARY 12, 1990

Dear Mr. Hall

I am in receipt of your as-built certification for the referenced site. The Engineer's Certification statement portion is not legible, therefore, it is necessary for me to request that you date the statement and resubmit.

Also, concurrence that the S.O. #19 has been approved is required.

If I can be of further assistance, please feel free to call me at 768-2650.

Cordially,

*Bernie J. Montoya*
