SUBMITTED FOR CERTIFICATE OF OCCUPANCY APPROVAL, ENGINEER'S STAMP
DATED 5/1/96.

Dear Mr. Kemper:

Based on the information provided in the submittal of May 2, 1996, the Engineer's Certification for the above referenced site is acceptable for Certificate of Occupancy release.

It appears that there is a submittal to the DRB to revise the lot lines for this site. Please revise this approved plan to reflect the new lot lines so that our files will be up to date.

If you should have any questions, or if I may be of further assistance to you, please call me at 768-2666.

Sincerely,

Susan M. Calongne, P.E.
