**Re: Bureau of Reclamation & SS Admin. Grading and Drainage Plan
Engineer's Stamp Dated 4-17-02, (J14/D143)**

Dear Mr. Miller,

Based on the information contained in your submittal dated 4-18-02, the above referenced plan is approved for Building Permit and SO-19 Permit.

Please attach a copy of this approved plan to the construction sets prior to sign-off by Hydrology.

A separate permit is required for construction within city R/W. Sign-off by the city's field inspector for the SO-19 Permit is required for Hydrology final approval.

Also, prior to Certificate of Occupancy release, Engineer Certification per the DPM checklist will be required.

If you have any questions, you can contact me at 924-3984.

Sincerely,

Carlos A. Montoya, PE
City Floodplain Administrator, PWD
Development and Building Services
