Mr. Nello Salgado-Fernandez,  
Senior Traffic Engineer  
City of Albuquerque  
600 Second Street, Northwest  
Albuquerque, New Mexico 87102

RE: BoR/SSA Building  
555 Broadway, Northeast

Dear Mr. Salgado-Fernandez:

*R.B.  
Compliance*

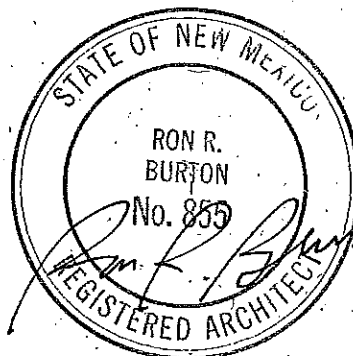

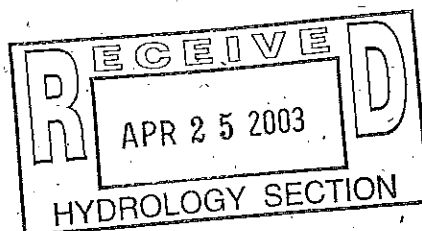

This letter is to certify Substantial Completion of the parking lot improvement and traffic management controls at 555 Broadway, Northeast, for Final Certificate of Occupancy. Items which were not complete at issuance of the Temporary Certificate of Occupancy are also certified to be substantially complete to include: exterior of sidewalk culverts, construction of all sidewalks, and wheel chair ramps at Marquette and Commercial.

Thanks so much.

Sincerely,

Ron Burton, AIA  
President
