30-Day Temporary Certificate of Occupancy
Transportation Development Final Inspection
Architect's Stamp dated 5-11-22 (J17-D010)
Certification dated 09-08-22

Dear Mr. Daniel,

Based upon the information provided in your submittal received 09-08-22, Transportation Development has no objection to a 30-day Temporary Certificate of Occupancy based. This letter serves as a "green tag" from Transportation Development for a 30-day Temporary Certificate of Occupancy to be issued by the Building and Safety Division.

Prior to the issuance of a permanent Certificate of Occupancy, the following items must be addressed:

- Resubmit to PLNDRS@cabq.gov and pay the resubmittal fees.
- ADA ramp at the corner of Lomas and Manzano: please fill out the ramp with concrete (there is a gap between the truncated domes and the curb) to be flush with asphalt to avoid tripping hazard.

Once these corrections are complete, resubmit to PLNDRS@cabq.gov

If you have any questions, please contact me at (505) 924-3675.
