Re: Peter Piper Pizza

1000 Juan Tabo Blvd NE Traffic Circulation Layout

Architect's Stamp 02-20-17 (J22-D012D)

Dear Mr. Stern,

Based upon the information provided in your submittal received 03-01-17, the above referenced plan cannot be approved for Building Permit until the following comments are addressed:

- 1. Label the compact parking spaces by placing the words "COMPACT" on the pavement of each space. Please dimension the spaces.
- 2. ADA accessible pedestrian pathway should not be placed behind parking space or adjacent to a vehicular way. Vehicle and pedestrian/wheel chair conflicts should be avoided as much as possible Please clearly show this pathway and provide details. Is a ramp needed to access the building from the ADA parking spots?
- 3. Please specify the City Standard Drawing Number when applicable. Note 13 shows new sidewalk and should use the standard.
- 4. The ADA curb ramp at the intersection of Juan Tabo and Sierra Grande will need truncated domes installed and should maintain ADA accessibility.
- 5. Unused curb cuts must be replaced with sidewalk and curb & gutter. A build note must be provided referring to the appropriate City Standard drawing. There is one Curb cut on Juan Tabo that is being closed but is not identified.

Resubmit a revised plan along with fully completed Drainage Transportation Information Sheet to front counter personnel for log in and evaluation by Transportation. PDF copies of the plans and submittal package must be emailed to PLNDRS@cabq.gov at time of resubmittal. If you have any questions, please contact me at (505) 924-3630.

Sincerely,

Logan Patz

Senior Engineer, Planning Dept. Development Review Services
