Certification dated 10-17-16

Dear Mr. Bennett,

Based upon the information provided in your submittal received 10-17-16, Transportation Development has no objection to the issuance of a 30-day Temporary Certificate of Occupancy. This letter serves as a "green tag" from Transportation Development for a 30 Day Temporary Certificate of Occupancy to be issued by the Building and Safety Division.

Prior to the issuance of a permanent Certificate of Occupancy, the following items must be addressed:

1. Truncated domes must be placed on the West drive pad within the City of Albuquerque right-of-way.

Resubmit acceptable package along with fully completed Drainage Transportation Information Sheet to front counter personnel for log in and evaluation by Transportation. For digital submittal and minor comments and/or repairs, please submit photos to PLNDRS@cabq.gov prior to submittal. If you have any questions, please contact me at (505) 924-3981.

Sincerely,
