RE: Pond Revisions Plan for Flying J Travel Plaza (K8/D2) (PWD 94-226) Submitted for Building Permit Approval, Engineer's Stamp Dated 9/16/98.

Dear Mr. Weiss:

Based on the submittals of August 26, 1998 and September 16, 1998, the above referenced plan for the pond revisions is approved for Building Permit release.

Per my letter of August 10, 1998, no other construction will be allowed on this site until the request for the Letter of Map Revision (LOMR) has been submitted to my office to be forwarded to FEMA. After construction of the improvements to the ponds, the Engineer's certification is required. The certification must be included with the LOMR request.

If you have any questions, please call me at 924-3982.

Sincerely,

A handwritten signature in cursive script, reading "Susan Calongne".
