Erosion Sediment Control Plan  
Engineer's Stamp Date 10-5-15 (K10E001B)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 10-6-15 the above referenced plan is approved to be included in the SWPPP and for Grading Permit/Building Permit once the grading plan is approved by Hydrology with the following comment:

It may be better to put the construction entrance on the west side of the site rather on Coors Blvd that way track-out, if any, would stay on-site rather than migrate onto Coors Blvd.
