**Re: Vitality Works Warehouse Addition
Erosion and Sediment Control Plan
Engineer's Stamp Date 4-2-18 (K10E009)**

Dear Mr. Soule,

Based upon the information provided in your submittal received 4-2-18, the above referenced plan is not approved to be included in the SWPPP or to apply for an ESC Permit for grading and Building Permit until the following comments are addressed:

1. Provide existing and proposed grades and drainage features (e.g inlets, ponds, etc...). The best way to accomplish this may be to superimpose the BMPs on the grading and drainage plan that is submitted to Hydrology.

2. Provide a Vicinity Map.

If you have any questions, you can contact me at 924-3420.

Sincerely,

Curtis Cherne, P.E.
Principal Engineer, Stormwater Quality
Planning Dept.
