Dear Mike Zamora/Richard Dourte,:

On April 15, 2003 this office made an inspection of the completed improvements to Desert Rat Addition located at 5401 San Mateo NE. All work necessary to support the addition has been completed and is in substantial compliance with the approved TCL plan. The location of the trash enclosure was revised per the requirements of Solid Waste. The work is complete and ready for occupancy.

Sincerely,

Claudio Vigil
President
