Re: West 66 Addition

This 'Letter of Substantial Completion' is submitted as required by agreement between the City of Albuquerque, Mr. Brunacini and Mr. Zanos for the subject subdivision.

I, Jean J. Bordenave, have performed a field survey of the retention pond located on Tracts A-1-A and B-1-A of the West 66 Addition. The survey was performed on September 1, 1992 and the pond was found to be in substantial compliance with the dimensions and grades as shown on the construction documents for the pond dated May 06, 1992 and designated as Phase I, Temporary Retention Pond.
