RE: GRADING PLAN CHANGES FOR TRACT 60, TOWN OF ATRISCO GRANT,
UNIT 6 (K10-D51)

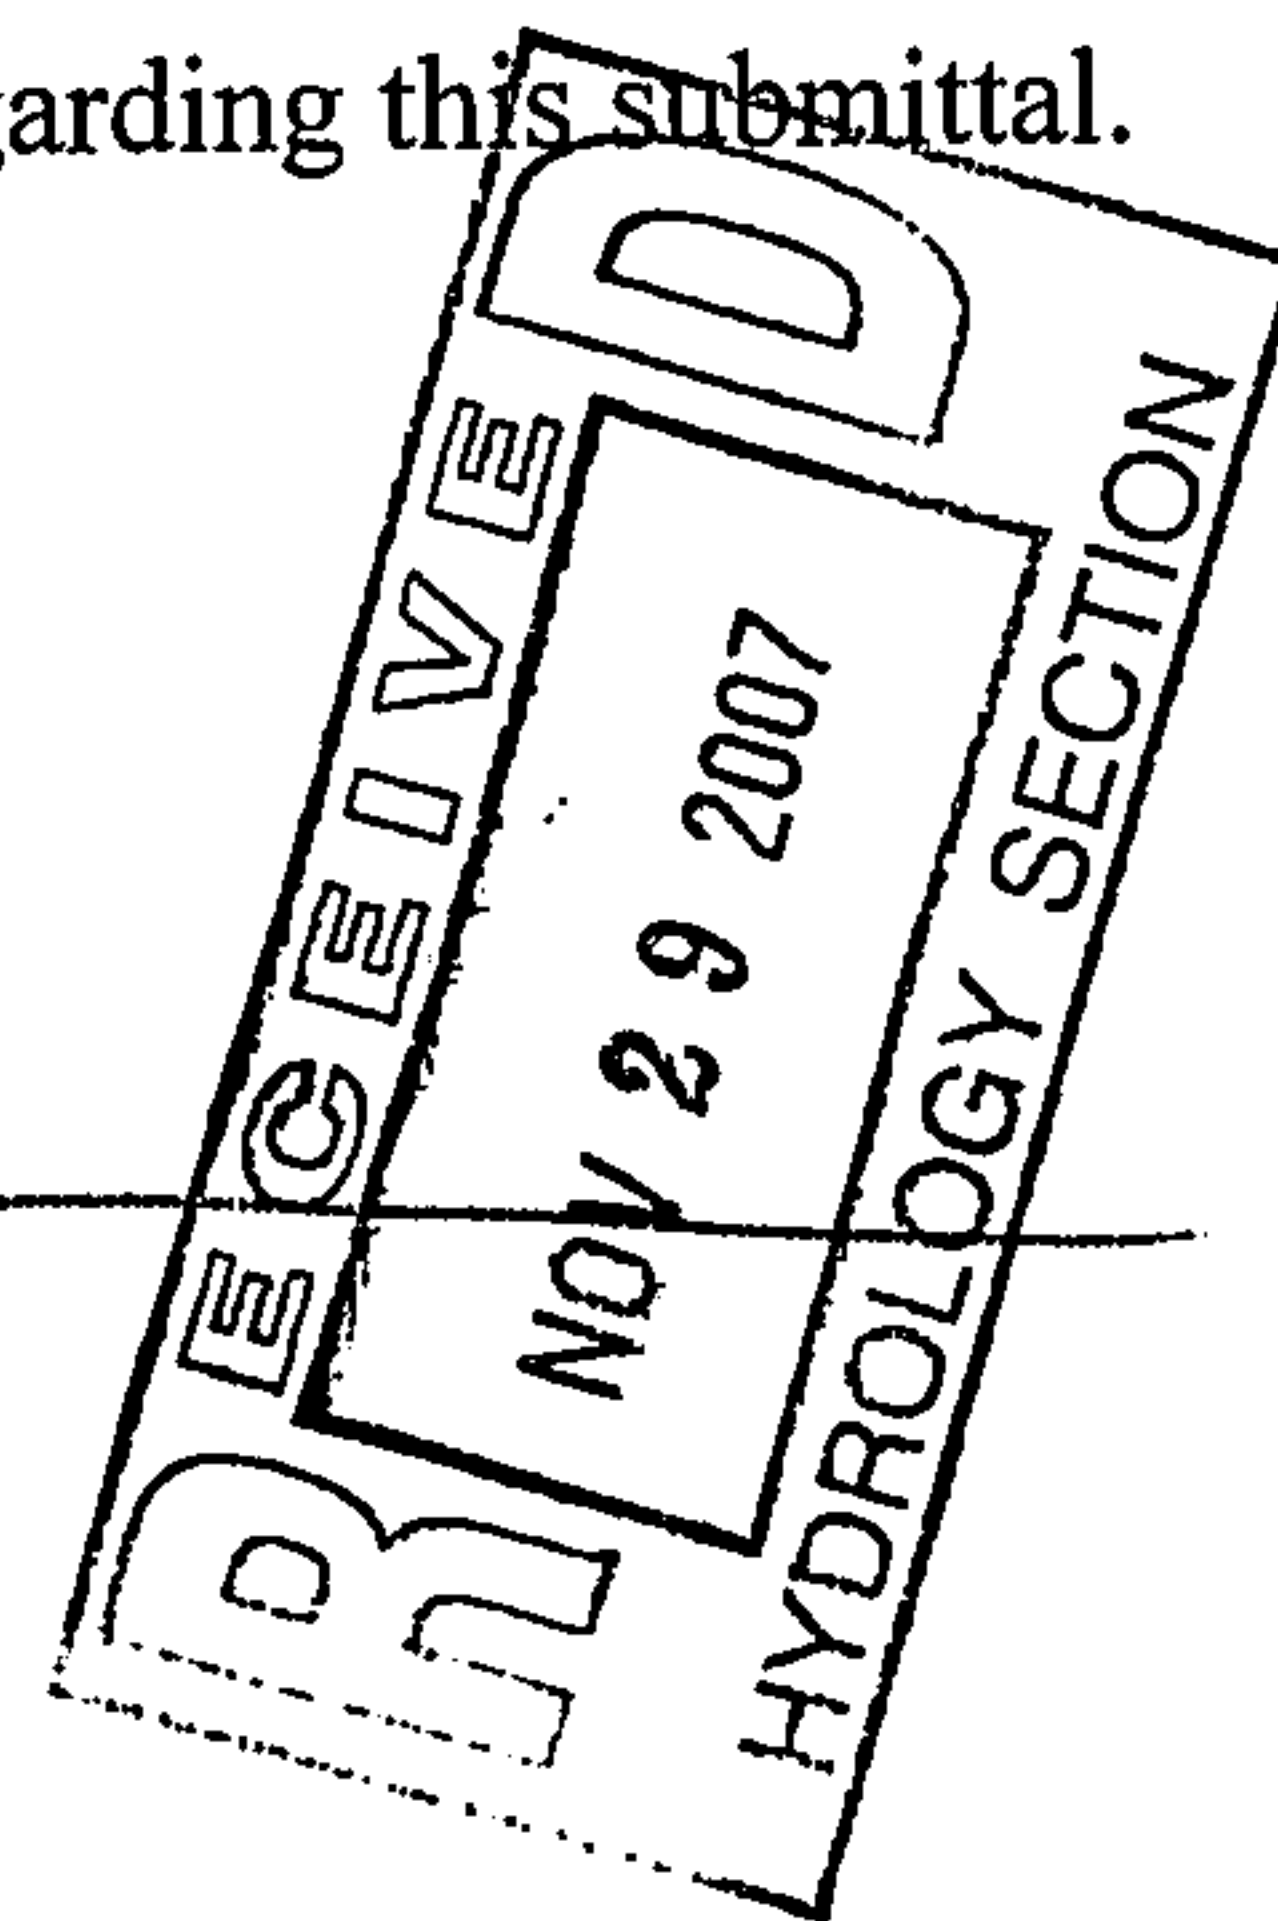

Dear Mr. Hoover:

This letter and submittal is based on grading changes for the previously approved grading and drainage plan for Tract 60. We are raising the north end of the parking area to drain all the runoff to Churchill Road. This will eliminate removal and replacement of the existing sidewalks and other improvement located to the north. The drainage was setup to drain to the north because an entrance to Coors Boulevard was proposed with our first submittal. Since then the entrances has been eliminated we are changing the direction of the flow to drain to the south.

Please contact me if there are any questions or concerns regarding this submittal.

Sincerely yours,

Shahab Biazar, P.E.

TRAFFIC CERTIFICATION

I, **Rick Bennett**, NMRA # 1240, of The Firm of Rick Bennett Architect, hereby certify that this project is in substantial compliance with and in accordance with the design intent of the Traffic Circulation Layout, approved plan dated, August 15, 2007.

The record information edited onto the original design document has been obtained by **Rick Bennett Architect**, of the firm. I further certify that I have personally visited the project site on January 10, 2008 and have determined by visual inspection that the survey data provided is representative of actual site conditions and is true and correct to the best of my knowledge and belief. This certification is submitted in support of a request for Certificate of Occupancy (Permanent) for Precious Moments Day Car. Located at 6711 Church Hill Rd., Tract 60, Town of Atrisco Grant, Unit 6.

The record information presented hereon is not necessarily complete and intended only to verify substantial compliance of the traffic aspects of this project. Those relying on the record document are advised to obtain independent verification of its accuracy before using it for any other purpose.

**Re: Precious Moments Childcare, 6711 Churchill Road NW,
Traffic Circulation Layout
Architect's Stamp dated 8-15-07 (K10-D051)**

Dear Mr. Bennett,

The TCL submittal received 8-15-07 is approved for Building Permit. The plan is stamped and signed as approved. A copy of this plan will be needed for each of the building permit plans. Please keep the original to be used for certification of the site for final C.O. for Transportation. **Public infrastructure or work done within City Right-of-Way shown on these plans is for information only and is not part of approval. A separate DRC and/or other appropriate permits are required to construct these items.**

If a temporary CO is needed, a copy of the original TCL that was stamped as approved by the City will be needed. This plan must include a statement that identifies the outstanding items that need to be constructed or the items that have not been built in "substantial compliance," as well as the signed and dated stamp of a NM registered architect or engineer. Submit this TCL with a completed Drainage and Transportation Information Sheet to Hydrology at the Development Services Center of Plaza Del Sol Building.

When the site is completed and a final C.O. is requested, use the original City stamped approved TCL for certification. A NM registered architect or engineer must stamp, sign, and date the certification TCL along with indicating that the development was built in "substantial compliance" with the TCL. Submit this certification TCL with a completed Drainage and Transportation Information Sheet to Hydrology at the Development Services Center of Plaza Del Sol Building.

Once verification of certification is completed and approved, notification will be made to Building Safety to issue Final C.O. To confirm that a final C.O. has been issued, call Building Safety at 924-3306.

Sincerely,

- ✓ 1. Based on information provided in the Mid-Region Council of Governments *Long Range Roadway System for the Albuquerque Metropolitan Planning Area*, Coors Boulevard is a limited access roadway. Therefore, you may not have an entrance off of Coors Boulevard. A request is currently under review by the City to provide left turn access from Coors Boulevard at Bataan Drive. You may call Tony Loyd at 924-3994 to check the status of this request.
- ✓ 2. A 6-foot wide sidewalk is required along Churchill Road.
- ✓ 3. The existing sidewalk along Coors Boulevard should be fixed with this project.
- ✓ 4. Does the overhang (see keyed note 14) interfere with the pedestrian path?
5. Show all wheelchair ramps and provide geometric details.
- ✓ 6. Provide build notes for the proposed entrance.
- ✓ 7. List the number of parking spaces required by the zoning code as well as the proposed number of parking spaces.
8. Please refer to all applicable city standards by standard number.

If you have any questions, you can contact me at 924-3981.
