Dear Mr. Munn

Based upon the information provided in your submittal received 11-21-16, the above referenced plan cannot be approved for Building Permit until the following comments are addressed:

1. The handicap accessible spaces must include an access aisle. Van accessible aisles should be 8ft wide; all others should be 5ft wide.
2. The ADA accessible parking sign must have the required language per 66-7-352.4C NMSA 1978 **"Violators Are Subject to a Fine and/or Towing."** Please call out detail and location of HC signs.
3. The ADA access aisles shall have the words **"NO PARKING"** in capital letters, each of which shall be at least one foot high and at least two inches wide, placed at the rear of the parking space so as to be close to where an adjacent vehicle's rear tire would be placed. (66-1-4.1.B NMSA 1978)
