**CITY ORDINANCE 105.4.4 Approved documents.** Construction documents approved by the fire code official are approved with the intent that such construction documents comply in all respects with this code. Review and approval by the fire code official shall not relieve the applicant of the responsibility of compliance with this code.

**CITY ORDINANCE 105.5 Revocation.** The *fire code official* is authorized to revoke a permit issued under the provisions of this code where it is found by inspection or otherwise that there has been a false statement or misrepresentation as to the material facts in the application or *construction documents* on which the permit or approval was based including, but not limited to, any one of the following: The permit is used for a location or establishment other than that for which it was issued; The permit is used for a condition or activity other than that listed in the permit; Conditions and limitations set forth in the permit have been violated; There have been any false statements or misrepresentations as to the material fact in the application for permit or plans submitted or a condition of the permit; The permit is used by a different person or firm than the name for which it was issued; The permit holder failed, refused or neglected to comply with orders or notices duly served in accordance with the provisions of this code within the time provided therein; The permit was issued in error or in violation of an ordinance, regulation or this code.
