RE: 615 La Jolla Place NE
Grading and Drainage Plan
Engineer's Stamp Date: 05/01/18
Hydrology File: K12D029

Dear Mr. Hensley:

Based upon the information provided in your submittal received 05/17/18, the Grading and Drainage Plan **is not** approved for Building Permit. The following comments need to be addressed for approval of the above referenced project:

1. This project is not a resubmittal so the application fee needs to be paid prior to Hydrology's review. See the updated fee schedule on the City's website.
<https://www.cabq.gov/planning>
2. Also prior to your submittal, Per the DPM Chapter 22 Section 7, 24"x36" is currently the City's standard. This applies to all site plans, Grading & Drainage Plans, Traffic Circulation Plans, DRC Plans etc. Architectural size drawings are not acceptable for Hydrology review.

If you have any questions, please contact me at 924-3995 or rbrissette@cabq.gov.

Sincerely,

Renée C. Brissette
