RE: **PAVING PLAN** – 4010 Central Ave. SW
Grading Plan for Paving Permit & SO-19

K12-D033
PE Stamp: 11/1/2013

Dear Mr. Valdez,

Based upon the information provided in your submittal received on 11/1/13, the above referenced Grading Plan is approved for Grading and Paving Permit, and SO-19 Permit, for the sidewalk culvert on Atrisco Drive.

A separate Excavation/Barricading Permit is required for SO-19 construction within City ROW. A copy of this approval letter must be on hand when applying for the permit. If there is a Work Order associated with this project, this work is to be included in the Work Order. To obtain a C.O., the storm drain work in the City ROW must be inspected and accepted. Please contact Jason Rodriguez, 857-8074, to schedule an inspection.

A Certified copy of this plan will be required following completion of the Paving and sidewalk culvert, SO-19 work.

If you have any questions, please contact me at grolson@cabq.gov or phone 505-924-3994.

Sincerely,

Gregory R. Olson, P.E.
Senior Engineer
