**Re: 926 Coal**  
**926 Coal Ave SW**  
**TCL and SO-19 Permit**  
Architect's Stamp 1-3-24 (K13D085)

Dear Mr. Whelan,

The TCL submittal received 1-11-2024 is approved for Building Permit by Transportation. A copy of the stamped and signed plan will be needed for each of the building permit plans. Please keep the original to be used for certification of the site for final C.O. for Transportation.

The TCL is also approved for SO-19 Permit for construction of the sidewalk culvert.

When the site construction is completed and an inspection for Certificate of Occupancy (C.O.) is requested, use the original City stamped approved TCL for certification. Redline any minor changes and adjustments that were made in the field. A NM registered architect or engineer must stamp, sign, and date the certification TCL along with indicating that the development was built in "substantial compliance" with the TCL. Submit this certification, the TCL, and a completed Drainage and Transportation Information Sheet to the [PLNDRS@cabq.gov](mailto:PLNDRS@cabq.gov) for log in and evaluation by Transportation.

Once verification of certification is completed and approved, notification will be made to Building Safety to issue Final C.O. To confirm that a final C.O. has been issued, call Building Safety at 924-3690.

Sincerely,

*Curtis A Cherne*
