**Re: Imperial Inn Renovation at 701 Central Ave NE
Erosion and Sediment Control Plan
Engineer's Stamp Date 10/6/2022 (K14E226)**

Dear Mr. Tolman,

Based upon the information provided in your submittal received on 8/25/022, the above referenced ESC Plan is approved to be included in the Building Permit Plans.

The EPA documentation is a LEW with a project end date of 7/1/2022, so the City ESC Permit has been signed and is attached, so this project is approved for Grading, and Building Permit.

Please remember to include a copy of this letter, the approved ESC Plan, and the signed copy of the ESC Permit in the Building Permit application.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes
