RE: REGINA HALL DRAINAGE PLAN

Dear Frank:

Based on your recent submittal of March 2, 1983 the referenced report is hereby approved. Please see that the most recent plans (dated 2/9/83) are placed in the City construction sets along with approved copies of "Construction of Drainage Facilities in City Right-of-Way" for the 4" PVC outlet pipes.

Very truly yours,

Brian G. Burnett
Civil Engineer/Hydrology
