RE: MEDICAL OFFICES ON LEAD & LOCUST  
(K-15/D41)

Dear Chris:

On further review pertaining to the request of approved alley grades, I have determined that because the alley will not be used for access or runoff release, we will not require the approved alley grades.

Therefore, before Certificate of Occupancy release, I will need in our records a copy of:

1. Approved, filed copy of replat.
2. If any modifications to the approved plan (dated March 23, 1987) takes place because of another City department requirement, I will need a revised copy for review.

If I can be of further assistance, please feel free to call me at 768-2650.

Cordially,

Bernie J. Montoya, C.E.  
Engineering Assistant
